

Guide for Providers

Welcome to REDEEM™ HealthShare!

REDEEM HealthShare is a faith-based, health care sharing organization where members come together to care for each other's medical needs through prayer and financial support.

Every month REDEEM™ members make a financial contribution to their share account. The funds collected by the community are used to pay eligible medical expenses.

Medical bill submission

Medical bills should be submitted to REDEEM HealthShare electronically using the **EDI Payer ID SM325** or by mail to the address below. Bills will be processed for eligibility per the Sharing Guidelines.

Please include HCFAs and/or UBs to:

REDEEM HealthShare
PO Box 241119
Apple Valley, MN 55124

Payment processing

Payments are typically made to providers within 30-40 days of receiving the member's bill. Payments are made from shares collected by the patient from the REDEEM member community.

Member responsibility

Members are responsible for paying an Annual Unshareable Amount and, in some cases, a Co-Share before their bills are shared with the community.
